---

BRIDGET LEATHERMAN, PRINCIPAL

To Whom It May Concern,

Ernest May Elementary School's "CAREER WEEK" will be **March 18-21**. Career Week will help our students connect the curriculum to the world around them and reinforces the importance of working hard and doing their best in school. Members of our staff have expressed an interest in having your field of work represented and *we are asking if your business is able to share your experiences with our students at May Elementary for this special event.*

We would like to invite you to speak any day this week from 9:30am - 2:30pm. You would be briefly speaking to 2-3 classes and the focus of the 20-40 min. presentation could be an explanation as to what the specifics of the job are, the importance of education or skills needed for this line of work, any engaging activities you'd like them to participate in, demonstrations etc.

All participating companies will be thanked in our school newsletter & social media page.

It is so important for career development to begin early in life. We appreciate your time and would greatly appreciate your commitment to the students of Ernest May Elementary School. If you have any questions, please feel free to contact Ms. Parrish @ 702.799.4690 Ext. 4301 or email at [parrik@nv.ccsd.net](mailto:parrik@nv.ccsd.net). We look forward to hearing from you very soon and being a part of this exciting learning experience!

Thank you,

Ms. Parrish
